Legal Administrative Assistant / Paralegal position

We are litigation lawyers in Vancouver focused on the resolution of complex business disputes. Our work is innovative and often on the leading edge of the law.

We have five lawyers, but only one LAA currently, and would like to hire another LAA or paralegal to join us. The focus is not on level of seniority, but on finding the right person to join the team.

We are genuine and decent people. We treat everyone with respect, including our clients, the other side, and each other.

This is a full-time position but we would consider part-time for the right applicant – we recognize that talented women in particular may be excluded from legal careers because of the challenge of balancing family and work in a traditional law firm model.
